FOREWORD

*Dear Crosby, we will ne'er forget,
In all the days to be,
Fond recollections of the past,
Sweet memories of thee.*

*And so, good-bye, ye open doors,
We will not hear thy calls,
For we are never to return,
To thy beloved halls.*

*Thy portals close before our eyes,
Our high school days are past.
The path of life we now must tread
To find our goal at last.*

*This Keystone, we do now present
To students who stay on,
In hopes that they'll remember us,
In the days when we are gone.*

DEDICATION

We, the Keystone Board of 1951, fondly and gratefully dedicate this yearbook to our English teacher and faculty advisor, Mrs. Hester Crone, whose untiring efforts and sincere interest in the students have endeared her to all of us.

WELCOME

We are proud to welcome to Crosby High School, our principal, Mr. Perry Wortman. Although he has been with us only since September, he will be remembered by us in the years to come for his understanding, patience and devotion to the welfare of the students.

IN APPRECIATION

With deep appreciation and gratitude, we express our heartfelt thanks to our coach, Mr. John Troy, for his faithful, unselfish service to his teams and to his school.

EDITORIALS

Through the ages, our predecessors have fought for freedom, liberty, and democracy which are all integral parts of our beloved United States. Now these rights are being threatened by communism; and because of this we, the youth of today, are being asked to leave behind our carefree days to go forth to fight a cause for which we are not the culprits. We ask ourselves; are we ready?

Before we are able to leave our homes and loved ones behind, we must secure not only physical but moral courage. We must have a faith in God, a faith in humanity, and a faith in ourselves. Again we ask; are we prepared?

We are living in an unstable world and we have been reared in an atomic age, an age in which no man can feel secure. We, the graduating class of 1951, have never known a world of peace, love, and compliance. Is there any doubt that we ask, have we the strength?

With uncertain minds and pensive hearts we reflect on these questions. Eventually, to each of us there will come a way of overcoming life's obstacles if we keep our faith in the true and righteous way of life. We shall realize that this period in our youth is only a stepping stone to a world ahead. We shall know that to have lives free from trepidation and consternation, we must willingly leave behind the lesser things in life to strive for that which is good.

Continued On Page 66

The present world situation appears very grim, especially to the youth of America who are to determine what the final outcome will be. All the free nations regard America as the leading country in the world, and as such, lean on her for protection and financial help.

It must be remembered, however, that from all major wars something is added to the American ideal, the American way of living. From our own American Revolution comes the system of republican government which is the basis of our present America. From the bloody French Revolution, Americans have learned and adopted the principles of Liberty, Equality, and Fraternity. Finally, from the two World Wars, we have cemented firmly our democracy, showing the rest of the world that a nation such as ours can, by its own power and freedom, conquer its enemies and rise to the great political, economic, and social heights that is America.

At present, America is in a state of national emergency due to the Korean War. The present world situation may seem dark, but from every war something is learned to make the future a little brighter. The free nations now look to America for military and economic aid. How they will look to America in the future and the place America will hold in the future of the world will depend on the ability of her youth to learn something from every war, every mistake, and use that knowledge for himself and his country.

Activities

Band

Here we proudly present Crosby's band, outstanding in the new uniforms which were purchased through the efforts of last year's magazine drive.

Glee Club

The Glee Club has done its part singing in the annual concert and at the music festival in Brewer. Many new songs were added, and great improvement was shown.

Orchestra

Our orchestra, though small, has done a tremendous job. Under the direction of Mr. Lewis, it has entertained us at many events throughout the year.

National Honor Society

The members of the National Honor Society are chosen on their qualities of leadership, service, character and scholarship. This is a very high honor for any student to receive.

Student Council

The Student Council has worked hard this year in sponsoring the various school activities. Members are selected by the students and are given much responsibility.

Varsity Club

The Varsity Club this year sponsored a Donkey Basketball game as well as a series of dances to pay for the basketball jackets which was this year's project. Membership includes all boys earning varsity letter.

Three Act Play

Under the direction of Mrs. Hester Crone, assisted by Harold Doe and Mrs. Amy DeForest, the students of Crosby appeared in a three act comedy "Second Fiddle" presented in the auditorium on Wednesday, November 22, 1950.

Footlights Club

This year much work has been completed in organizing the Footlights Club as a major activity of Crosby High School. A constitution was drawn up by the members, emblems were given to all who participated in its activities, and pins awarded on a point basis.

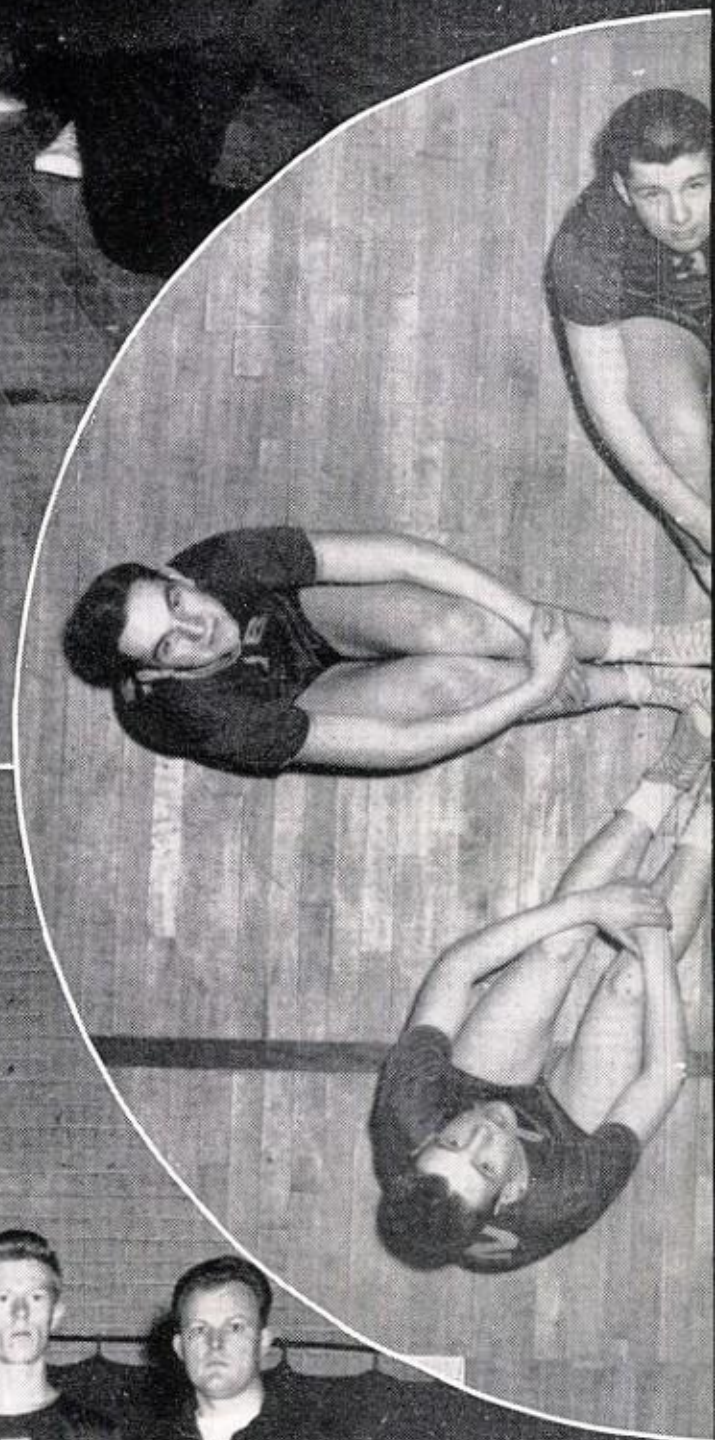

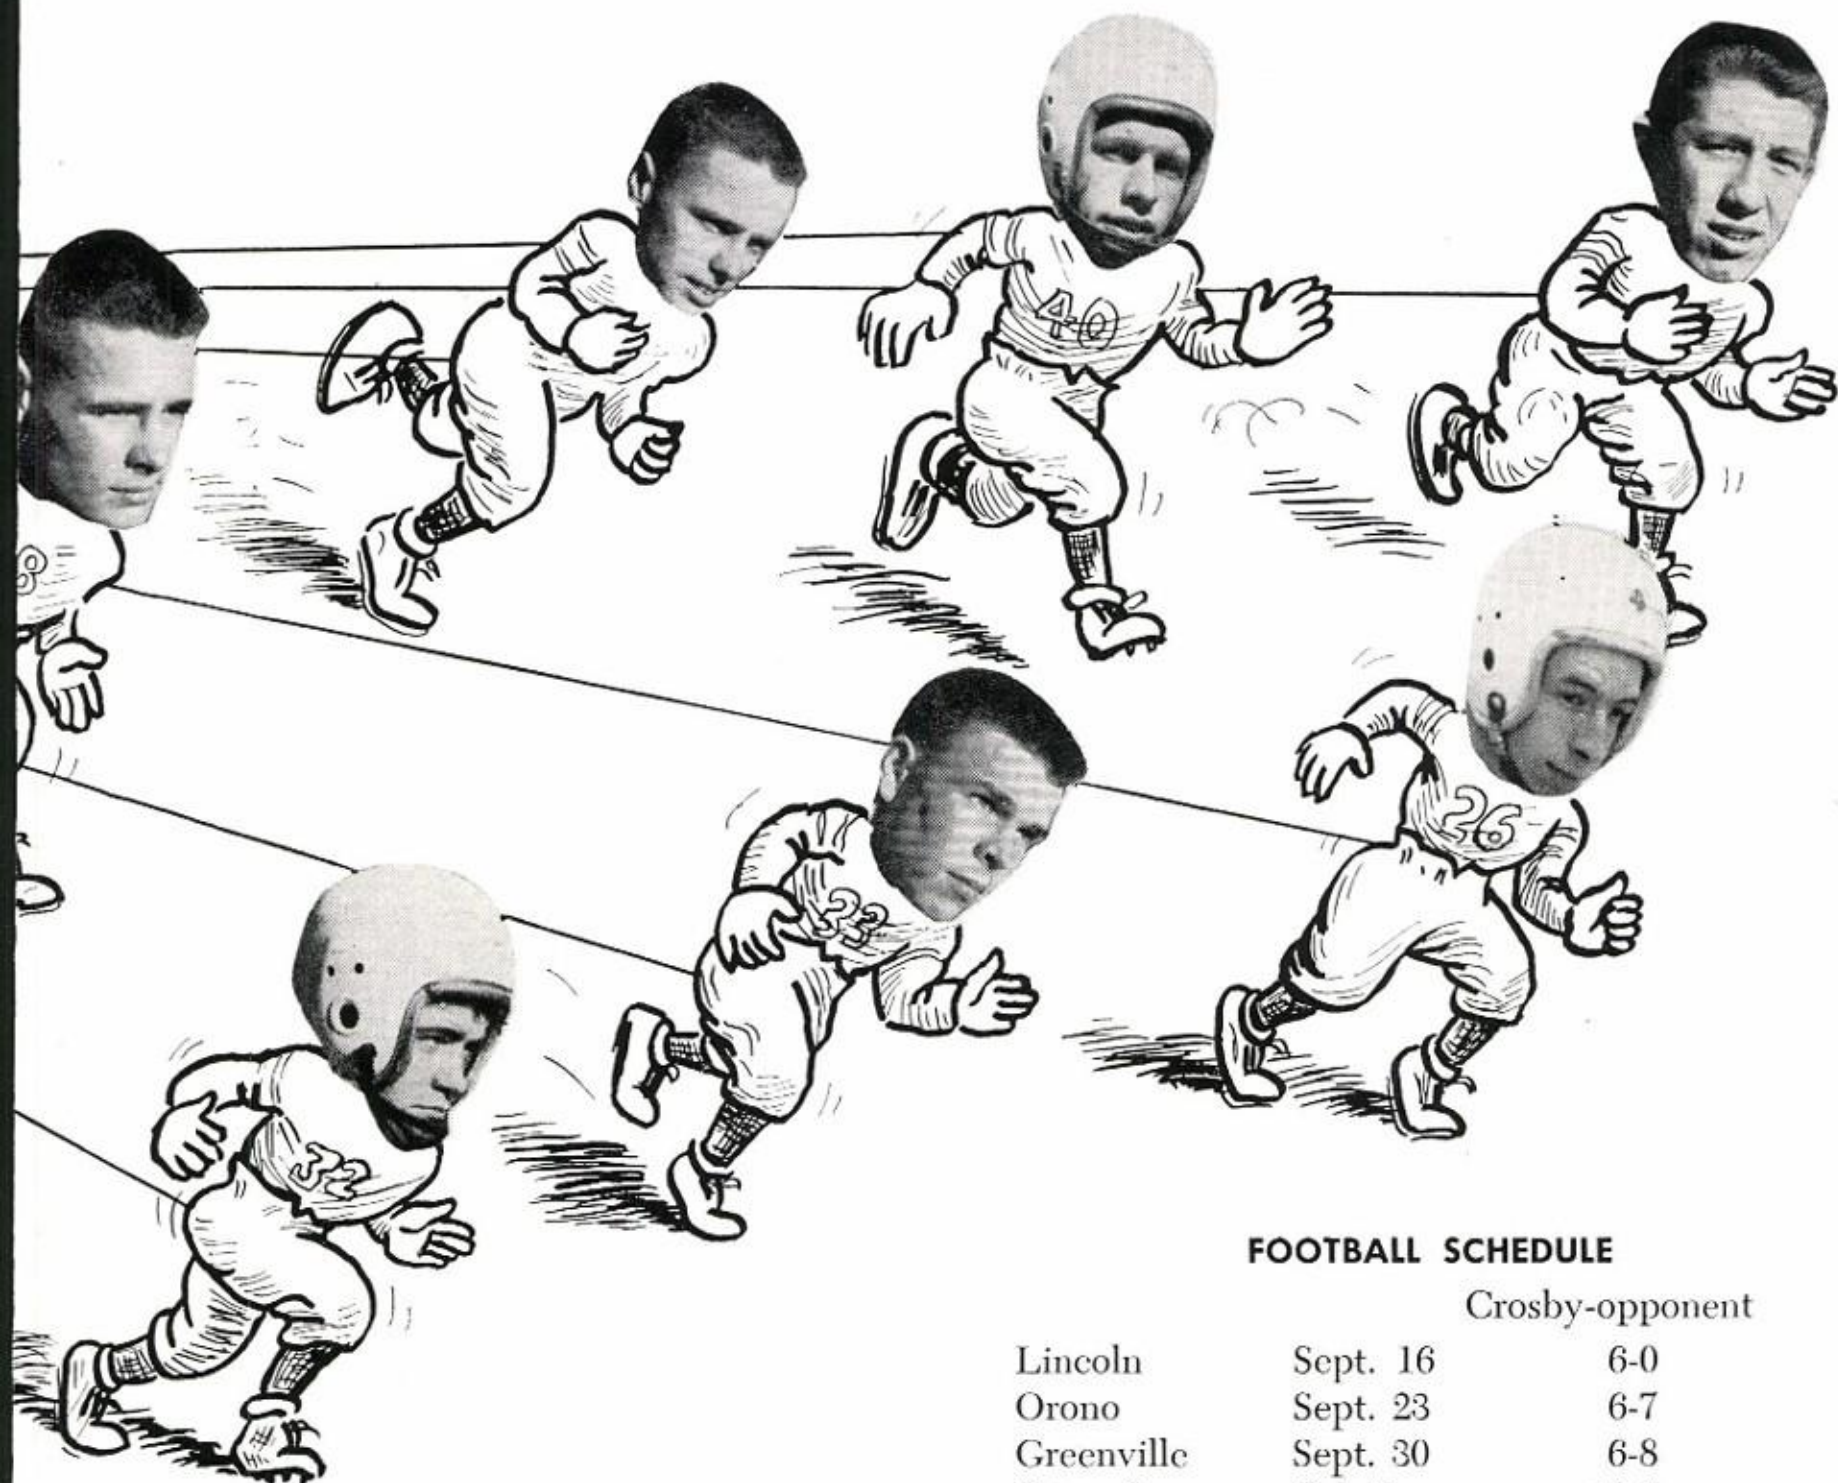

Prize Speaking Contest

Every year Crosby students who are interested in public speaking compete in the prize speaking contest. Two winners are selected to go to the Lydia Spear Contest in Waterville, two to the University of Maine, and one to the Montgomery Contest in Waterville.

LIFE AT

CROSBY

A SENIOR'S REPORT BY BETSY NOYES

We Seniors, eager to do our best since it was our last year, started off with a bang! At our first class meeting we elected Dick Tibbetts as President, Willie Paul as Vice-President, Betsy Noyes as Secretary and Ann Cole as Treasurer. As our first money-raising project, we sold greeting cards. Later in the year, we decided to have a financial committee and look into ways of raising more money. This committee decided upon the best ways of raising money: a movie, dance, basketball game (Boys versus Girls) and a food sale.

There were quite a few Senior couples when we came back in September. Sally and Willie, Dick and Mary, Curly and Tubby, Raymond and Delma, "Red" and Lillian, and Russell and Betsy. These couples stayed together all year.

After Christmas vacation the topic question among the girls were "Have you seen Edith Eaton's diamond?" and "Did you know Isabelle Hills is engaged?" Soon, one of our misses became Mrs. Celia Gross.

Many of our seniors have received honors this year. Betty Crosby was elected to receive the D. A. R. award, Darrell Payson was sent to Orono to participate in the State Foul Shooting Contest, Linwood Starrett was elected President of the Student Council, and Sally Brown was chosen to play a star part in "Peg O' My Heart".

Three of our Senior athletes were injured this year, and were greatly missed by Coach Troy. Curly Payson broke three toes and the top arch, Bud Smith tore some ligaments in his knee, and Lin Starrett cut his toe with an axe.

We hear Melvin Young doesn't appreciate telephone operators and that Malcolm is exhausted from his long walks. The Air Force doesn't issue many leaves, does it, Ann? Why does Red Nickerson spend his noon hours in Marriners? Charlene, what

JUNIOR CLASS REPORT

Greetings and salutations from the Junior Class! We should like to present our officers for this year:

President—"Nat" Marriner
Vice-Pres.—"Felix" Whitney
Secretary—Ralph Stephenson
Treas.—Ed Hardy

Under our able class advisor, Mrs. Stewart, we have sponsored a skate and dance party at the Pier, a Valentine dance, a Spring Fashion show, and a food sale. Our Junior Prom is scheduled for May 18. Our class is very well represented in every school activity this year.

During this year some very interesting things have happened to my fellow classmates which, I feel is my duty to convey to you. I've been told that Phil S. is an attraction to certain boys in the sophomore class., that those two "roving romeos" Billy Gumm and Felix Whitney have been making frequent trips out of town. Can it be that they are looking for girls, per chance? By the way, Faye W. has been rushing around lately, too. And what would Jean S. do if John ever got another—(girl friend)? Unless my eyes deceive me, was that John Carr climbing out of Piper's cellar window? And would Nat M. really like to move to Rockland?

Yes, sir, our class has just about everything! Of course there are a few things we don't have such as:

We haven't any—

Forests but we have Woods
Beef but we have a Hamm
Skyscrapers but we have a Tower
English but we have Dutch
Good but we have Baird
Soldiers but we have a Marriner
Swords but we have a Spear
Candy but we have Gumm
Rain but we have Snow

SOPHOMORE CLASS

What would Crosby do without its Sophomores? No matter where you look you see the shining face of one of them. Name a sport—basketball for instance. The Sophomores have plenty of talent there with Mark Kapiloff, Roger Smith, David Cassida, Leslie LaFond, Keith Grant, Charles Hammons, Reginald Gilmore and Maurice Littlefield on the court. And don't forget the girls, Junne Knight, Sally Whitehead, Joan Woodbury, Pat Jenness, Joyce Lincoln, Frances Shortes, and the managers, Lois Whitcomb and Norma Bradbury. Junne Knight and Joyce Lincoln help out the cheering section and Crosby's major-ettes are all Sophomores.

Rose Stephenson, Winnifred Walker, and Lois Whitcomb have all A's and Student Council members are Keith Grant, Melvin Perkins and Joan Woodbury. This year we Sophomores selected our class rings—in our opinion the nicest of all.

Despite the date, Friday the 13th of April proved to be lucky because that was the evening of the Sophomore Hop. The committees were: General Chairman—Joan Woodbury, Entertainment—Norma Bradbury, Decorations—Lois Whitcomb, Refreshments—Sally Whitehead, Invitations—Marion Gray, Advertising—Rose Stephenson.

Favorite words of some of our teachers:

Mr. Mansur—"Take out a piece of scrap paper."

Mrs. Brown—"Let's not talk to our neighbors."

Mr. Lewis—"Now let's try it again."

Mrs. Stewart—"Pass the homework to the front, please."

Mr. Rhoades—"Now with my children."

FRESHMAN CLASS

Freshman day was one of the big days of our year at Crosby. The girls wore boys' dungarees, wrong side out, mismated socks, and one half of their faces made up while the boys adorned themselves with dresses, hats, and women's makeup. This was one day we certainly couldn't avoid seeing the seniors and had to do favors of every sort for them. Freshman Reception and dance was enjoyed by a large number of people.

BASKETBALL BY DON MOOERS

Once again, Crosby had a successful basketball season. Getting off to a fast start, the Lions ran up a string of six straight victories before meeting defeat.

After practicing hard for three weeks, the Lions were scheduled to meet Greenville in the opening game. Controlling the rebound and shooting exceptionally well, the Lions made up for the defeat in football, beating the Lakers 45-31. In the return game, on the frozen shores of Moosehead, the Troymen were beaten 66-51.

With Orono coming to town, the Lions really got down to business, and our up-river rivals were set back 54-41. Later, this same club cut the Lions' throats, beating us 53-45 on their small court.

The Lions journeyed to Mount Desert for their next game, and came home victorious, 54-31. Bud Smith scored 23 points to lead Crosby in winning. In the return game, an improved Mt. Desert club beat us 48-32.

For the first time in the history of Crosby, the Lions took on Lincoln Academy of Newcastle. In the first game played at Lincoln, Crosby came out on the winning end, 54-31. Bud Smith scored 23 points to lead too much power for the Lincs, beating them out 57-50.

Dover-Foxcroft's ponies rolled in and rolled back out as fast, as the Lions cut the threads of the enemy basket for 45 points while holding the visitors to 38. Later at Dover, we were set back 62-46. Dover, incidentally, was seeded No. 4 in the Eastern Maine class M tournament.

In the next game, the Lions met Camden. This game was a sellout, as both teams were playing exceptionally good ball, up to this point. Camden took an early lead, and held on to it until late in the fourth quarter. With Bud Smith leading the way, the Lions came roaring back and tied the

FOOTBALL BY DON MOOERS

Coach issued the call for all stout hearted men who were willing to give time and effort toward making a successful football team, two weeks before school opened. The call was promptly filled as fifty boys turned out for practice. This year's club produced such stellar performers as Bud Smith, Red Nickerson, Soupy Piper, Johnny Brown, Felix Whitney, Pete Brown, Dick Tibbetts and Willie Paul, only mentioning a few. The Lions ran up the unbelievable total of 194 points, while holding the opposition to 23. They really had the stuff this year.

After playing hard and rough football against such teams as Orono, Greenville and Lincoln, Crosby ran roughshod over Hampden, Bucksport, Ellsworth and Winthrop.

GIRLS' BASKETBALL

The Crosby High Girls' Basketball team had a very successful 1950-51 season with a win, five loss, seven record.

Norma and Lois—the hardworkers of the team who have to put up with "Whar's the gum?" and "Whar's the oranges?", Get us some basketballs."

Lillian—our clean playing forward who helped pull us through to victory by her flashy shots.

Ann—a speedy little forward whose shots

happened to Bucksport? Bud, are you still spending Saturday nights in Searsport? Time drags, doesn't it, Betty? We hear Jean likes bashful boys. Is it that Mary can't tell time or does she like to get parking tickets? It is said Joan can't keep track of her belongings. We expect to hear wedding bells soon after graduation for June and Sheila. Sally, what's this we hear about you trying to get a franchise to run a bus line to Morrill? Russell, is it true you spend all your money on postage stamps? What's the big attraction on Northport Avenue, Phil? Dave, won't you ever learn to sit down when the bell rings? Who's the last one to stop talking in Room 211, Tom? How's the home cooking, Curly?

Graduation will soon be here. We are sorry that Jim Davis, Bob Murphy, Phil Sylvia, Rita Jackson, and Norma Armstrong won't be graduating with us but we are glad to have Joan Muffley and Wallace Rajamini.

So lead on, ye fellow countrymen, and we shall march onward with you. Yes, onward we shall march, through winds, through storms, with our eyes ahead, our steps never faltering. We know not what our future will bring, for we are not prophets as in days of yore, but whatever may happen; America, we are with you.

Delma: "Yes, you fresh thing, and if Raymond had seen you, he'd have socked you for it."

Hutchie went out of town to spend the night. Quite late he rushed down to the night clerk in the hotel. "I just got a hat pin stuck in my eye," he howled.

"Through an argument?" inquired the clerk.

"No, through a keyhole!" cried poor, inquisitive Hutchie.

BASEBALL

Spring is here once again and ardent fans are looking forward to another great year for the Crosby diamond men, who have, incidentally, captured the district crown for two years in succession.

The boys themselves are anxious to get started, setting their sights on bigger things that lie ahead. There may be a chance at the crown again, as only two boys were lost by graduation. Now let's take a quick rundown on the games of last year.

After three weeks of hard work, the boys, along with Coach Troy, were ready for the first game which was with Hampden. With Bud Smith pitching a marvelous game, the Lions were victorious in their opener whipping Charlie Gould and the Broncos—10-0.

Linny Starratt gave up only four hits in the next game as his teammates pounded two opposing hurlers for ten hits and 13 runs.

score at 46 all with a minute to go. Camden sank a foul shot to go ahead, but Smith took a pass from Starratt and sank a lay-up to go ahead by one, with ten seconds remaining on the clock. Camden came driving back trying in vain to make that last winning basket. With three seconds left, Bennett of Camden took a long shot that was good, and the red and white of Camden walked from the floor victorious. It was a fine game all the way, but a tough one for any team to lose.

In the second game at Camden, being hampered by the small court, the Lions lost to the Mustangs, 45-29.

Next on the list was Hampden. While this game was a victory in score, it was very costly in manpower, as Bud Smith, the Lions' stellar guard and high scorer, was

The third game was with Orono, and the Lions had really hit the winning trail as they swamped the Red Riots, 9-2. Red Nickerson supplied the power at the plate as he got three hits in as many trips to bat.

The law of average finally caught up with the Troymen in their next game with Ellsworth, as the Lions managed to get only two hits while their rivals got seven good for five runs and held us to one.

Bud lost a heartbreaking game with Bucksport as he pitched a two hitter but still lost 3-2. The Crosby boys bounced back on the winning trail in the next game with Hampden trouncing the Broncos for the second time, 12-2. With this win went the district title.

injured and unable to play for the remainder of the season. Crosby took both games, with Hampden beating them 43-28 on their home court and 50-33 at home.

Crosby took on Williams High of Oakland in the next game and came out on the long end, 51-33. In a game at home with this same team, Crosby was victorious once again, 69-34.

The high scorer of the season was Linny Starratt with 207. The entire team owes a great deal to Coach Troy for his tireless efforts in producing a winning game, and above all, teaching the great help in later life, teamwork.

In the playoff game with Madison, the Lions didn't have enough power to match the host, and Crosby came out on the short end of a 12-0 mark. With one game remaining, the Lions really wanted to win as Ellsworth rolled into town. With Bud once again on the mound, they really played their hearts out and it really paid off as Johnny Brown smashed out what looked like a sure home run but hit the top of the fence post in dead center field and bounced back on for a double driving in the winning run.

As this book goes to press, the fans of Crosby are again looking for another good season, and we certainly wish Coach Troy and the boys the best of luck.
